INDOSPACE CONTINUES ITS COVID-19 RELATED SUPPORT INITIATIVES IN CHAKAN

Donates fitness bands to the Police force in Pimpri Chinchwad and MIDC area of Chakan

CHAKAN-PUNE, DECEMBER 23, 2020

IndoSpace, India's largest investor, developer, and manager of Grade A industrial and logistics real estate, broadened the outreach under its corporate social responsibility program and donated fitness bands to the police force in Pimpri Chinchwad and the MIDC area of Chakan. The fitness bands are expected to benefit our unsung heroes in the Police force by enabling them to keep a check on their vitals on a continuous basis while performing their duties. The fitness bands were handed over in the presence of Mr. Krishna Prakash, Commissioner and Mr. Ramanath Pokale, Additional Commissioner of Police, Pimpri Chinchwad region.

This initiative is a part of the larger Covid-19 related support which IndoSpace is extending through its CSR program. IndoSpace has been actively supporting the community in the Chakan area during the pandemic. In addition to distribution of 1500 food kits during the lockdown, IndoSpace also recently donated masks, sanitizers and protective equipment to the Covid Care Centre in Chakan and ventilators to Pimpri Chinchwad Municipal Corporation (PCMC).

Mr. Rajesh Jaggi, Vice Chairman, Real Estate, Everstone Group, said: " Since the start of the pandemic, the police personnel have been performing their duty selflessly and diligently. This contribution is our small effort for the ones who have been contributing immensely to the nation. We hope these bands will help our valiant police officers in taking care of their health."

Mr. Krishna Prakash, Commissioner of Police, Pimpri Chinchwad said "We thank IndoSpace for their contribution to safeguard the police force with the donation of fitness bands. Our officers have been working wholeheartedly throughout the pandemic and acknowledgment of their work in these tough times will surely motivate them to keep giving their best."

Currently, IndoSpace has 6 parks in Chakan area catering to global companies with large scale distribution and light manufacturing requirements including leading auto, retail, manufacturing and 3PL (third party logistics service providers) companies among others. Some of the companies partnering with IndoSpace in Chakan are IKEA, Ericsson, Amazon, Steelcase, Valeo among others. IndoSpace has a portfolio of over 37 million square feet across 36 industrial and logistics parks under various stages of development in 9 cities.
